

James Logan High School Band & Color Guard

P.O. Box 924 • Union City • CA 94587

Dear Friends of the Logan Band & Color Guard,

The James Logan High School Marching Band & Color Guard has grown to be a World Class competitor and one of the finest bands in Northern California. This year's band and guard features over 290 members and represents families from the Union City area. Our students will travel to competitions all over California and are seeded as one of the top groups in all shows.

On November 12, 2005, James Logan High School will be the site of this Fall's major band competition. At this show, some of the finest bands in California will be participating. This will be our 25th Annual Field Show Invitational with an estimated attendance of 5,000 people. Also, on March 25, 2005, James Logan High School will be hosting the Winter Guard International Percussion Regional, with percussion groups coming from across the country to compete. The estimated attendance for this event will be 4,000 people.

We will be producing a high quality souvenir program for these two events that will feature a full page spread of each participating unit with picture and comments. The programs will be purchased by band, guard and percussion members, parents and spectators and will serve as a great memento.

It is with great pleasure that we extend this opportunity to you to purchase advertising space in these high quality programs. Advertising in our programs is a perfect way for you to show your support for the James Logan Band & Color Guard and the thousands of students and their supporters from throughout the country who will be attending these two shows. This is a great way for local and national companies to solicit business from the large crowds in attendance.

We truly appreciate your consideration and support. If you have any questions, please feel free to contact our souvenir program coordinator, Skip Wagner, at 510-489-8530 or email macbrass@aol.com.

Sincerely,

Don Montoya
