

Pack 268

3/04/2008

Greetings Scouters,

Well it has been several weeks since my last cubmaster's minutes. The pack has evolved exponentially with the growth of dens, leaders, and enthusiasm. I want to thank all for taking ownership of Pack 268, your efforts will never go unrewarded.

On February 23rd, successful den meetings Wolves, Bears, and agendas and leaders locations. The Tigers rank achievements, while learned basic Chinese created masks to Year. The Webelos on working on a play for the After the den meetings, a meeting to discuss and Gold in April.

the pack held it's first since 2005. The Tigers, Webelos with their own held den meetings at varies worked on their Bobcat and the Wolves and Bears culture and language, and celebrate the Chinese New the hand, spent it's time blue and gold banquet. the parents and leaders held March activities and the Blue

The next day, Saturday, 24th, the pack held a Bowling event at Mowry Lanes in Fremont, coordinated by Allen T.. Thirteen scouts and their families participated and had a lot of fun. All participating scouts learned about the sport of bowling and were awarded the Bowling belt loop. Great job to the all the scouts, leaders, and parents who came out and played. And a special thanks to Allen T. for putting this event together.

Pack 268 at Mowry Lanes

The next den meetings were held on the 29th at again various locations. Again, the Tigers, Wolves, Bears, and Webelos enjoyed another successful meeting. The Tigers continued with advancement activities, the Wolves and Bears continued with their advancement activities surrounded by Chinese culture and the Webelos continued with the play. Afterwards, the Wolves, Bears, and Webelos joined in making trail mix for the scheduled hike, Flag Hill, in Sunol, on Saturday, the 1st.

The Flag Hill is a beautiful Sunol Sunol, California. The 1360 Foot elevation at half way into the hike. braved the mile long but it was well worth spectacular with a summit. So, the pack lunch there. After hike down hill while We spotted a turkey cows, and a blue belly unfortunately we did other hawks.

Flag Hill Summit

Trail Trekker hike nestled in Wilderness Regional Park in hike is 3.5 miles long with the Flag Hill summit located Ten scouts and their parents up hill trek to the summit it!!! The weather was breath taking view from the decided to rest and eat lunch, the pack finished the viewing nature at its best. vulture circling around, lizard basking in the sun, not see a Bald Eagle or any

Friday, the 7th, the pack experienced a tour of the Union City Police Department in Union City coordinated by the chair, Christine O.. their families attended. hosted the tour for us job in teaching us the department. The used to aid in their keep us save was boys. The boys holding cells, back seat motorcycles, sirens, through the nerve administrative building. the officers gave to the was to obey their imposed on them at everyday activities. Good advice for all. At the end of the tour, Officers Wu and Leon, gave the boys some souvenirs to take home. Many thanks to the Union City Police department!!!

pack's advancement Fourteen scouts and Officer's Wu and Leon and did a tremendous infrastructure of a police equipment the police jobs to fight crime and demonstrated to the traveled through the of a squad car, operating flashing lights, and section of the An important message boys to be good citizens parents and the rules home, school, and

After the tour, pack continued the meeting at our Assistant Cubmaster's house Mr. Chan. The scouts learned how to lower a US flag with a ground. After the flag finished, the scouts gun safety and with some target shooting gun belt loop. The unfortunately could not However, the parents their luck on the target results, so did the to Mr. Chan for parents to use his yard end of meeting, we Richardo P. and had cake his mom brought to share with the pack.

The fold, unfold, raise, and campfire in the back ceremony class was had a brief class on BB the Webelos doing afterwards for the BB younger scouts shoot due to BSA rules. got a chance to try with remarkable Webelos. Many thanks allowing the scouts and and BB guns. At the sang happy birthday to

The next den meetings will be held on Friday, 14th, 7PM, at Searles. We will work on the B&G play and update the achievement roster. Next Saturday, 15th, we will head off to the BSA Council Headquarters in San Leandro to do some rock climbing. Mrs Coats, our Pack Committee Chair, has graciously taken the role of coordinating this event.
